

assistance for the unit may continue for a maximum of 30 days from the end of the month in which the unit was vacated, unless occupied by another eligible person. No additional assistance will be paid until the unit is occupied by another eligible person.

(2) As used in this paragraph (d), the term "vacate" does not include brief periods of inpatient care, not to exceed 90 days for each occurrence.

(e) *Administrative costs.* (1) Up to eight percent of the grant amount may be used to pay the costs of administering the housing assistance. Recipients may contract with another entity approved by HUD to administer the housing assistance.

(2) Eligible administrative activities include processing rental payments to landlords, examining participant income and family composition, providing housing information and assistance, inspecting units for compliance with housing quality standards, and receiving into the program new participants. This administrative allowance does not include the cost of administering the supportive services or the grant (e.g., costs of preparing the application, reports or audits required by HUD), which are not eligible activities under a S+C grant.

(f) *Property damage.* Recipients may use grant funds in an amount up to one month's rent to pay for any damage to housing due to the action of a participant.

#### § 582.110 Matching requirements.

(a) *Matching rental assistance with supportive services.* (1) To qualify for rental assistance grants, an applicant must certify that it will provide or ensure the provision of supportive services, including funding the services itself if the planned resources do not become available for any reason, appropriate to the needs of the population being served, and at least equal in value to the aggregate amount of rental assistance funded by HUD. The supportive services may be newly created for the program or already in operation, and may be provided or funded by other Federal, State, local, or private programs in accordance with 42

U.S.C. 11403b. This statute provides that a recipient may use funds from any source, including any other Federal source (but excluding the specific statutory subtitle from which S+C funds are provided), as well as State, local, and private sources, provided that funds from the other source are not statutorily prohibited to be used as a match.

(2) Only services that are provided after the execution of the grant agreement may count toward the match.

(3) It is the responsibility of the recipient to ensure that any funds or services used to satisfy the matching requirements of this section are eligible under the laws governing the funds or services to be used as matching funds or services for a grant awarded under this program.

(b) *Availability to participants.* Recipients must give reasonable assurances that supportive services will be available to participants for the entire term of the rental assistance. The value of the services provided to a participant, however, does not have to equal the amount of rental assistance provided that participant, nor does the value have to be equal to the amount of rental assistance on a year-to-year basis.

(c) *Calculating the value of supportive services.* In calculating the amount of the matching supportive services, applicants may count:

(1) Salaries paid to staff of the recipient to provide supportive services to S+C participants;

(2) The value of supportive services provided by other persons or organizations to S+C participants;

(3) The value of time and services contributed by volunteers at the rate of \$10.00 an hour, except for donated professional services which may be counted at the customary charge for the service provided (professional services are services ordinarily performed by donors for payment, such as the services of health professionals, that are equivalent to the services they provide in their occupations);

(4) The value of any lease on a building used for the provision of supportive services, provided the value included in the match is no more than the prorated share used for the program; and

(5) The cost of outreach activities, as described in § 582.325(a) of this part.

### § 582.115 Limitations on assistance.

(a) *Current occupants.* Current occupants of the real property are not eligible for assistance under this part. However, as described in § 582.335, persons displaced as a direct result of acquisition, rehabilitation, or demolition for a project under the S+C program are eligible for and must be provided relocation assistance at Uniform Relocation Act levels.

(b) *Amount of assistance provided within a jurisdiction.* HUD will limit the amount of assistance provided within the jurisdiction of any one unit of local government to no more than 10 percent of the amount available.

(c) *Faith-based activities.* (1) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the S+C program. Neither the Federal government nor a State or local government receiving funds under S+C programs shall discriminate against an organization on the basis of the organization's religious character or affiliation.

(2) Organizations that are directly funded under the S+C program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization as part of the programs or services funded under this part. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part, and participation must be voluntary for the beneficiaries of the HUD-funded programs or services.

(3) A religious organization that participates in the S+C program will retain its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice and expression of its religious beliefs, provided that it does not use direct S+C funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facili-

ties to provide S+C-funded services, without removing religious art, icons, scriptures, or other religious symbols. In addition, an S+C-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.

(4) An organization that participates in the S+C program shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

(5) If a State or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this section applies to all of the commingled funds.

(d) *Maintenance of effort.* No assistance received under this part (or any State or local government funds used to supplement this assistance) may be used to replace funds provided under any State or local government assistance programs previously used, or designated for use, to assist persons with disabilities, homeless persons, or homeless persons with disabilities.

### § 582.120 Consolidated plan.

(a) *Applicants that are States or units of general local government.* The applicant must have a HUD-approved complete or abbreviated consolidated plan, in accordance with 24 CFR part 91, and must submit a certification that the application for funding is consistent with the HUD-approved consolidated plan. Funded applicants must certify in a grant agreement that they are following the HUD-approved consolidated plan. If the applicant is a State, and the project will be located in a unit of general local government that is required to have, or has, a complete consolidated plan, or that is applying for Shelter Plus Care assistance under the same Notice of Fund Availability (NOFA) and will have an abbreviated
